

The Bethany Horsemen forms Which form(s) should I fill out?

- *The **Adult** form is for new or renewing adults (18 & over) and for riders who either live in Bethany or board a horse in Bethany. Non-residents are Associate members and on their first application only must provide a Sponsor form filled out by a current RESIDENT member. Renewals and Bethany residents do not need the Sponsor form.*
- *The **Junior** form is for new or renewing Juniors (under 18) and is for those who either live in Bethany or board a horse in Bethany. This form requires a parent or guardian signature. All juniors must wear ASTM certified helmets when mounted and may not purchase guest passes.*
- *The **Public Access** form is for individuals who do not live in Bethany and who do not board a horse in Bethany. This permit gives access only to RWA property but none of the private lands adjacent to Lake Chamberlain.*
- ***Guest Permits** may be purchased by Adult Resident and Associate members. Guest permits are linked to your tag number and only valid if you personally escort your guest on the trails. A Guest must sign a Guest Liability waiver witnessed by you, their host.*
- *Our agreement with the SCCRWA and private landowners mandates that all equestrians using their trails sign a **waiver**. This is a one-time signature done annually on the back of your application. Guest who ride with you more than once need only sign a waiver the first time. Please keep that waiver in case they ride with you again.*
